

Department of CSE

TUTORIAL PLAN

Name of the Course-Coordinator: Prof. Kapil Sharma
Prof. Satinderpal Singh
Prof. Khushi
Prof. Preetkamal Singh

Branch	Semester	Subject	Code	Session
CSE	3 rd	Computer Architecture	CCS103	July-Dec.2025

Tutorial Sheet No. 7

Course-Content Covered:

8255 Programmable Peripheral Interface, 8259 interrupt controller and 8237 DMA controller.

Question 1) Draw the neat sketch of 8255 PPI along with its working.

Question 2) Explain the importance of the 8259 Programmable Interrupt Controller (PIC) and discuss its main functions in handling multiple interrupt requests.
